

May 25, 2023

BC Amateur Radio Coordination Council  
Attention: Ed Frazer VE7EF

## Information Update for the British Columbia Amateur Radio Coordination Council (BCARCC) Annual General Meeting

### Updated RBR-4 – Standards for the Operation of Radio Stations in the Amateur Radio Service

RBR-4 has been updated in July, 2022 to reflect the *Canadian Table of Frequency Allocations* as well as the *Final Acts* records resulting from the various World Radiocommunication Conferences (WRCs). Changes include dividing Schedule I, which originally covered amateur radio stations operating in Canada and Region 2, into two tables.

RBR-4 (Issue 3): <https://ised-isde.canada.ca/site/spectrum-management-telecommunications/en/licences-and-certificates/regulations-reference-rbr/rbr-4-standards-operation-radio-stations-amateur-radio-service>

### Updated CPC-2-0-03 – Radiocommunication and Broadcasting Antenna Systems

The requirements in CPC-2-0-03 apply to anyone including amateur radio operators, who are planning to install or modify an antenna system. CPC-2-0-03 has been updated in July, 2022. The following are the main changes:

- Implemented official languages requirements for the public consultation process, which will apply to public consultations commenced on or after August 1, 2023.
- Updated references to the *Canadian Environmental Assessment Act* to reflect the coming into force of the *Impact Assessment Act*.
- Updated Transport Canada references and details relating to aeronautical safety responsibilities to reflect current forms and definitions.
- Adopted the text proposed by NAV Canada regarding land-use proposal submission forms.

CPC-2-0-03 (Issue 6): <https://ised-isde.canada.ca/site/spectrum-management-telecommunications/en/learn-more/key-documents/procedures/client-procedures-circulars-cpc/cpc-2-0-03-radiocommunication-and-broadcasting-antenna-systems>

Thank you for the opportunity to provide an update to the BCARCC on matters related to amateur radio. Please contact the Amateur Radio Service Centre or your local district office if you have any questions.

Kasun Somaratne  
Spectrum Management Officer  
VA7AGI
